

## Manpower 2009 –Visions and Dreams - You Are Almost There - Bishop T.D. Jakes

### Manpower Men's Conferences

Bishop T. D. Jakes conducts a men's conference each summer in Dallas, Texas at The Potter's House. Attendees travel from all over to hear the truthful speaking of God's Word.

The theme for the 2009 Conference is *Visions and Dreams*. There are five presentations in the Manpower 2009 series:

- 1 **You Are Almost There:** Bishop T. D. Jakes uses Genesis 36:11 – 21 to explain that no matter where we have been we are almost at our destination. That destination is a full relationship with God.
- 2 **Why Men Need Visions and Dreams:** Dr. Myles Munroe uses Genesis 2 to explain why we need visions and dreams, and how God uses the male man to rule the Earth.
- 3 **Afterward:** Bishop Eddie Long uses Joel 2:28 to explain what will happen after we are redeemed by God through Jesus Christ.
- 4 **I Can, I Will, I Must:** Bishop Lester Love uses Philippians 4, Matthew 27, and Luke 2 to explain how we can be faithful, how we will be faithful, and how we must be faithful.
- 5 **It Is Not About You:** Finally, Bishop Jakes uses John 11 and 12 to explain how we are God's servants and, more importantly, how we are God's children.

### You Are Almost There Genesis 36: 11 - 21

What is your "safe place?"

What is not working on your inside?

What devil do you have to fight?

Genesis 35:11 - 20

What changes have you seen in the church?

Do you follow the church or the world?

Have you lost your salt?

Is the church part of your life?

Why do you go to church?

What do you struggle with?  
(What is your "too much?")

Have you had an encounter with God?

When have the heavens opened up for you?

You were bought with the blood of Jesus!

Do you keep coming back to the place?

Why do you praise God? (Psalm 147)

What is your "Godly place?"

Are you happy with yourself?

It is good that you keep running back to God!

You CANNOT stay at Beth-el – God does not allow it!

What is your God-given goal?

How much stuff do you have to pull?

Satan is close to "the place."

What is your "name?"

Who named you?

Getting to There will cost you everything!

People do not comfort you when they think you are strong!

What did Paul see in the Third Heaven?
