EAST AFRICA YEARLY
MEETING OF FRIENDS
P. O. Box 35
TIRIKI.

Dear Sir/Madam,

S. Jean Smith is applying for a renewal of her class 1 visa. In the last thirteen years, Jean has started and funded a craft cooperative for HIV positive widows and widowers, a safe water project utilizing bio-sand water filters and a model farming project. The safe water project is proceeding village by village in Kaimosi area. The vulnerable population, particularly the HIV positive individuals and children from two to five years, of age, show the most notable health improvement and mortality reduction. Her project, The Kuwesa project, also has a model farm program which seeks to educate local farmers about soil improvement to improve crop yields and the need to plant a variety of fruits and vegetables to improve nutritional status. In the last three years, Jean has funded these programmes with over seven million shillings from her own resources. She has also funded the construction of twelve individual hostel units to provide income to continue the work she began after she is gone.

At this time, Jean has two full time employees. Jean (driver and tailor) and six part time casual employees (housekeeper, inventory clerk and four farmers). Since 2018, Jean has contributed in excess of seven million shillings to fund the programmes she has begun.

Jean is a valuable addition to our community and East Africa Yearly Meeting of Friends supports her application to renew her visa whole heartedly.

Yours faithfully,

Ephraim Konzolo
